7. Early Termination Fee

- a) Under the terms Broadband Terms an Early Termination Fee may apply to you when you cancel your Vodafone Home Broadband and Phone Price Plan during your minimum period (while still in contract with us).
- b) Your Early Termination Fee will be calculated as 80% of the monthly price of your Vodafone Home Broadband and Phone Price plan (minus any applicable discounts) multiplied by the number of months remaining in your minimum period at the time you give us notice to terminate your Agreement.
- c) We will apply any discount you are eligible for following cancellation to your Early Termination Fee (subject to any requirements for such discounts).

For disconnections completed, any Early Termination Fee will include VAT.

How we calculate your Early Termination Fee

Your Early Termination Fee will be calculated as 80% of the monthly price of your Vodafone Home Broadband and Phone Price plan (minus any applicable discounts) multiplied by the number of months remaining in your minimum period at the time you give us notice to terminate your Agreement.

For example:

Example: FF2 Plan (£30/month, £5 discount) ETF = $[(£30 - £5) \times 80\%] \times 5 \text{ months} = £100$ If you'd like to know how much your Early Termination Fee will be at any time during your minimum period, please contact us.

8. Direct Dialled Call Charges

Call charges are in pence per minute; with a charging period determined by the time you are connected to the network. If the price point is published as price per minute (ppm) then charging is rounded up to the nearest minute. Fixed fee charges are not rounded as these are not based on call duration.

Call durations are accurate to the nearest second.

The rates set out in the Call Charge Guide at www.vodafone.co.uk/callchargeguide only apply in respect of out of bundle usage.

Any inclusive minutes purchased via one of our Home Phone Extras are subject to a 60-minute maximum duration per call. Standard call charges apply if you exceed the 60-minute maximum duration. To continue making inclusive calls simply hang up and redial before the 60 minutes.

Please be aware of any manufacturer specific issues which may affect your call charges (such as your home phone manufacturer). For more information, please refer to your device's manufacturer documentation.

Details of our call charges and how we calculate and round up call charges can be found in our Call Charge Guide at www.vodafone.co.uk/callchargeguide.

10. Vodafone Broadband Services

Broadband and Wi-Fi Speeds: Any Vodafone broadband speeds referred to in this Price Plan, on our website or any of our other materials are maximum download speeds.

Broadband speeds are dependent on all hardware, computing and other equipment components meeting certain minimum specifications, being fully functional and working at full speed.

The range of wireless equipment can vary according to the layout of your home. Other factors can also impact internet speeds, such as distance of your home from the network exchange, the number of people using the internet, the level of use of the internet and other environmental and technological influences.

Please refer to our www.vodafone.co.uk/priceguide within our service pack for further information.

Vodafone Broadband router: We will provide a Vodafone Broadband router to any new customers who wish to take our Vodafone Home Broadband and Phone Services (subject to successful Vodafone Home Broadband and Phone Services availability checks and credit checks). To connect wirelessly to the router, your equipment will need to have wireless compatibility in order to be able to access the internet.

Downloading third party content: A copyright owner's permission may be required for downloading protected content. Downloading protected content without the copyright owner's consent may constitute a criminal offence. Further details are contained in our Vodafone Home Broadband and Phone Acceptable Use Policy at www.vodafone.co.uk/broadband.

Content Controls: Content Controls are currently available to all Vodafone Broadband customers. Content Controls will be automatically set to off as default. Users can choose and change their Content Control settings at any time by accessing their account via www.vodafone.co.uk/myvodafone. Content Control may not block all unsafe or inappropriate online content and is intended only to assist parents with keeping their family safe online. Vodafone accepts no responsibility for personal online activity.

Third party anti-virus software: Whilst Vodafone recommends the use of anti-virus software, we are not responsible for its performance or any impact which it may have to your systems, equipment or any materials stored on those systems or equipment. Please refer to the End User License Agreement with the relevant third-party anti-virus software provider.

Pre-order window: The pre-order window is defined as the period prior to the network being available in each geographical area. During this period Vodafone may offer a discount on installation costs.

Non-standard installation: Where over 15 metres of fibre is required to connect your premise to the network, a non-standard installation fee may be payable. We will confirm at point of sale which installation is applicable to you.

Returns Policy: Our Vodafone Home Broadband and Phone Delivery and Returns Policy (including details relating to your Cooling Off Period) can be found at www.vodafone.co.uk/broadband (and will be referenced in the FAQ section of our website).

11. Supplemental Broadband Terms

- 1) **Application of this section:** The following terms and conditions set out in this Price Plan are supplemental to the Broadband Terms (available at www.vodafone.co.uk/terms) and service confirmation letter, which, together with this Price Guide, forms our Agreement with you.
- 2) The terms and conditions set out in this clause 2 apply to customers that purchase a plan which includes Broadband Back-up or Super WiFi.
 - a) **Broadband Back-up.** If you purchase our broadband back-up dongle service ("Dongle") or it's included in your plan, you will receive an allowance of 100GB of data for use on your Dongle with your plan. If you require additional data for your Dongle beyond the allowance included in your plan, please contact us. The provision

Vodafone Home Broadband Price Guide Consumer Customers – Prices effective from 29 January 2026

of additional data for your Dongle is at our discretion and is subject to your compliance with the terms and conditions of the Agreement.

b) **Super WiFi:** If you purchase our Super WiFi service or it's included in your plan, you'll get access to our dedicated WiFi Xperts service where our team will assist with any technical problems you have with your broadband. In addition, we will send you one WiFi Booster with your router. If you do not receive a WiFi signal and throughput speeds of at least 10Mbps in each room of your home, we will send you up to two more WiFi Boosters (three in total). If you are still unable to receive a WiFi signal and throughput speeds of at least 10Mbps in each room of your home:

- i) Please contact us so that we can attempt to resolve your WiFi signal and speed issues; and
- ii) If we are unable to resolve your WiFi signal and speed issues, so that you receive a WiFi signal and throughput speeds of at least 10Mbps in each room of your home, you may terminate your Agreement with us, without paying an early termination fee, provided that you notify us that you are terminating the Agreement within 30 days of receipt of the final WiFi Booster.

Please note:

- i) The router must be connected to the fixed line broadband network and the internet for the WiFi Boosters to work;
- ii) The WiFi Boosters will not work when there is a broadband fault, including without limitation a fault with your fixed line;
- iii) You must use the router and WiFi Boosters we supply to you as part of your Pro Broadband plan;
- iv) You must follow our reasonable instructions when seeking to resolve any WiFi signal issues you may have; and,
- v) Your right to terminate your Agreement with us without paying an early termination fee (as set out in the terms) does not apply where:
 - there is a broadband fault;
 - your router is not connected to the fixed line or the internet;
 - you are not using the router and WiFi Boosters we supply to you as part of your Pro Broadband plan;
 - you have failed to follow our reasonable instructions in respect of any WiFi signal issues you may have; or
 - there is a fault with the device on which you conduct any throughput speed test we may request for the purposes of assessing your WiFi signal and speed issues, where such fault materially affects the accuracy of that throughput speed test.
