

Pay Monthly Extras Terms and Conditions

1. These terms and conditions ('Terms') apply to our (**Vodafone Limited**, registered in England number 1471587 at Vodafone House, The Connection, Newbury, Berkshire, RG14 2FN) Pay Monthly Extras ('PAYM Extra(s)').
2. These Terms apply in addition to the Pay Monthly Airtime Agreement terms ('Airtime Terms') available at www.vodafone.co.uk/terms.
3. There are two types of PAYM Extras:
 - a. Recurring PAYM Extras; and
 - b. One-off PAYM Extras.
4. Speed Boost PAYM Extra is **compatible with 5G devices only**.
5. If you change from Pay as you go plan to Pay monthly plan or vice versa you won't be able to carry across any unused minutes, texts, data, or prioritised data from your original extra bundle.
6. Any unused PAYM Extra allowance (minutes, texts, data, or prioritised data) won't carry over to your next billing cycle. If you go over your PAYM Extra allowance, standard charges will apply (or, for Speed Boost customers, prioritisation will cease).
7. You can only buy one of each type of PAYM Extra at a time. For example, you can't purchase two International Saver 100 Extra at the same time.
8. PAYM Extras can't be refunded or transferred. They are for your personal, non-commercial use and subject to the Airtime Terms.
9. There are some geographical restrictions on where you can use your PAYM Extras. Speed Boost is for use in the UK only. Roaming is for use in our international roaming zones. Data Extras can be used in the UK and roaming, subject to the 25GB roaming fair use policy and any charges which fall outside of your plan's allowance.
10. We may vary or amend these terms at any time. We'll tell you beforehand where any change is likely to materially disadvantage you.
11. For the current list of PAYM Extras, please visit www.vodafone.co.uk/mobile/extras.

Recurring PAYM Extras

1. Once you purchase a recurring PAYM Extra it will start on the same day it was purchased and will automatically renew at your next billing cycle.
2. The cost of the PAYM Extra will be added to your next bill, and for each month until you cancel it.
3. The PAYM Extra allowance will end at 11.59pm UK time on the day just prior to your next billing cycle or until used up, whichever comes first. Unless cancelled, the allowance will then refresh until the following billing cycle.
4. There may be a delay of up to two hours from 11.59pm on day prior to the next billing cycle before the refreshed PAYM Extra is added to your account. You can check your account at any time by calling **2345** free from your Vodafone mobile or checking your My Vodafone App.
5. You can cancel recurring PAYM Extras at any time in the My Vodafone App.
6. For customers purchasing the recurring Speed Boost PAYM Extra, your data will be prioritised (subject to any maximum speed caps on your plan) up to 200GB of data consumption per month; after which prioritisation will cease until your next billing cycle.

One-off PAYM Extras

7. Once you purchase a one-off PAYM Extra, this allowance will end at 11.59pm UK time on the day just prior to your next billing cycle or until used up, whichever comes first.
8. The cost of the one-off PAYM Extra will be added to your next bill.
9. For customers purchasing one-off Speed Boost PAYM Extras, your PAYM Extra will expire upon reaching one of the following thresholds (whichever comes first):
