PLEASE NOTE:

- Pricing is subject to availability of Vodafone Home Broadband at your geographical location, as identified by Vodafone. Speeds based on maximum attainable download speed subject to network coverage, customer device capability, and service usage. For more info see https://n.vodafone.ie/support/broadbandandlandlinehub/broadbandlandline/dataspeedinformation.html

- The above are our standard price plans available to new and existing Vodafone customers which exclude discounts and promotional offers. Any discount or promotional pricing offers are available to eligible Vodafone Home customers only, terms and conditions apply. Pricing may change from time to time, we will provide you with at least 30 days' notice of any changes to your price plan cost or any other charges. You can view your current price plan cost on your My Vodafone account (https://n.vodafone.ie/en.html) or on your Vodafone bill. For more information on Vodafone Home terms, rates, best tariffs advice and offers see: https://www.vodafone.ie/terms

- *A once-off installation fee of up to €100 and/or an assistance fee of up to €60 may apply depending on the service, network infrastructure, installation requirements, or level of support required. Any applicable fees will be communicated to you and agreed at the point of sale prior to activation of the service.

- † To achieve broadband speeds above 1,000Mbps on a wired connection on your Gigabit 2000 Fibre Broadband product, you must use a small form-factor pluggable transceiver (SFP). This must be purchased separately and can be purchased here for €75. If using a Wi-Fi connection, you do not need to purchase an SFP to achieve these speeds.

- ¶ Talk may be provided by Broadband Voice (VOIP) or PSTN. Broadband Voice is a technology that allows customers to use home phone services over their fixed broadband connection using their modem. Find out more here. Talk includes 6000 Minutes to local landlines. A fair usage policy applies, see www.vodafone.ie/terms for details.

- Out of bundle charges will apply to usage outside your plan allowance, see below. Customers can buy additional voice add-ons to ensure they get the best rates for the typical calls they make.

- Vodafone TV requires a minimum speed of 20Mbps required for Vodafone TV and a minimum speed of 28Mbps required for multi-room viewing.
