Speed of Internet and Remedies

The estimated maximum download on 3G is 3Mbps, on 4G is 10Mbps and on 5G is 25 Mbps. Your plan may also include a speed tier as listed in the plan details. The estimated maximum upload is 0.5Mbps on 3G, 3Mbps on 4G and 5 Mbps on 5G. Your rights: If, having gone through our assurance process, it is not possible for us to remedy a situation where you are not achieving the speeds that we have communicated then you may select an alternative Service, we may offer a discount or, in certain circumstances, you may choose to cease your Service without penalty.

Contract Renewal and Termination

Conditions for renewal and termination: You may terminate this Agreement by giving at least 30 days notice or by completing the Porting process.

Unlocking Device: If you purchase a locked Vodafone device and wish to use the device on another network, you must have topped up your account by at least €127 credit to request the unlock code.

Features for end-users with disabilities

Vodafone products and services are for everyone and we are dedicated to meeting the needs of people with disabilities. We are here to help you get the most out of your Vodafone services. For more details please see [Vodafone.ie/accessibility](https://www.vodafone.ie/accessibility)
