2. Vodafone shall attempt to make the BB Voice Service available to you at all times. However, Broadband Voice services (including some Vodafone Broadband Voice Services add-ons such as Vodafone-to-Vodafone calling) are dependent on the quality of the customer's broadband Internet connection. Therefore, the quality of the BB Voice Service cannot be guaranteed in the event of power outages or other unforeseen circumstances beyond the control of Vodafone

3. In respect of the BB Voice Service, Broadband Voice telephone calls are carried in the public domain via Internet connectivity and therefore security of these calls is not guaranteed in the absence of further security measures as advised by Vodafone. Vodafone shall endeavour to use appropriate security measures but accepts no liability with respect to call confidentiality. Vodafone shall act within the provisions of Data Protection Legislation in respect of your information.

4. Vodafone may monitor the use of BB Voice Service for violations of this Agreement. Vodafone may remove or block all communications if Vodafone suspect there has been or shall be a violation of the Agreement, or where Vodafone consider it necessary to protect the BB Voice Service or Vodafone, its affiliates, directors, agents, employees or customers from harm.

5. In relation to the "Broadband and Home Phone" and "Broadband, Home Phone and TV" packages, where your Home Phone
