1. The following terms and conditions apply to use of the Vodafone Red Plus service (“Red Plus”) and are in addition to and form part of the General Terms and Conditions of the Vodafone Mobile Telecommunications Service as provided by Vodafone Ireland Limited (“Vodafone”). In the event of any conflict between the General terms and conditions and the terms and conditions set out below, these terms and conditions shall prevail in respect of the Red Plus service.
2. The Red Plus tariff is only available to existing consumer billpay account holders who wish to add a family member (“End User”) as a subscriber to their existing account.

4. The Red Plus tariff includes the following allowances 5gb of data, unlimited Vodafone to Vodafone calls, 60 minutes to other Irish mobile networks and unlimited SMS to any Irish mobile network which can only be used in Ireland and when roaming in the EU. Allowances apply for calls and texts to standard landlines and mobiles only. All other out of bundle services such as Premium calls and texts, MMS, calls to non-geographic numbers, directory enquiries, international (except intra EU when roaming) and roaming outside the EU are not possible on this price plan. We recommend you avail of a different price plan if you require these services.

Access to emergency service numbers will still be possible once the allowance of the tariff is reached. In the case of roaming there can be a delay between the allowance being reached and the bar being applied. In this scenario charges may apply. The Red Plus tariff allowances include roaming in the countries covered by EU roaming regulations (<https://n.vodafone.ie/terms/services.html>).

9. The content filters allow the Account Holder to block social network access. This filtering does not work on all devices and or block access to all social networks.

10. If social media access is allowed, then the content filters will not scan/look at/filter content on these social networks.
11. The availability and effectiveness of these features are device dependent and may not function on all devices.
12. The Red Protect product is provided by a third party. Vodafone's relationship with this third party may change in the future.
