1. The terms and conditions under this heading relate to the Upgrade Anytime offer ('Upgrade Anytime'). These terms and conditions apply in addition to the general terms and conditions under which you enjoy access to Vodafone's mobile telecommunications services and form part of your contract with us. By selecting the Upgrade Anytime offer you agree to be bound by these terms and conditions.
2. Upgrade Anytime is only available to eligible Vodafone Red Bill Pay customers as determined by Vodafone.
3. Upgrade Anytime will allow eligible Vodafone Red Bill Pay customers who are still in the minimum term of an existing contract with Vodafone to purchase a new mobile handset device.
4. To qualify for "Upgrade Anytime" each customer must:
 - o Be an existing Vodafone customer who has completed at least 3 months of an existing Vodafone contract and must have paid three consecutive bills in full.
 - o Enter into a new contract with Vodafone for a 24 month minimum term on a price plan of equal or higher value than their current price plan.
 - o You must have already provided Vodafone with your Direct Debit details. Please note that all customer applications are subject to status and to a satisfactory credit check.
5. The cost of the mobile handset device charged to the customer will vary depending on a specific set of criteria as determined by Vodafone and all of our mobile handset device pricing is subject to change.
6. The cost of the Upgrade Anytime mobile handset must be paid in advance via cash or debit/credit card. In limited circumstances Vodafone, at its sole discretion, may charge you for this handset via direct debit on your monthly bill.
7. In the case where the customer indicates that their mobile handset was lost or stolen that device will be barred on the Vodafone network.
8. Upgrade Anytime is only available in retail stores and will be available through other sales channels as determined by Vodafone from time to time.
9. If the customer breaks their contract within the 24 month minimum term contract period, having availed of Upgrade Anytime, they will incur a termination charge calculated as their monthly tariff cost multiplied by the number of months remaining on their contract.
10. Please note that where you have entered a new contract after availing of Upgrade Anytime and you choose to exercise any applicable cooling off rights you may have under the European Union (Consumer Information, Cancellation and Other Rights) Regulations 2013 in order to cancel this new contract, you will continue to be bound by the terms of your prior existing contract with Vodafone.
