We've introduced data roaming spend caps and notifications to help you manage your data roaming when abroad.

How much are spend caps set at?

The standard spend cap is €61.50 for Pay as you go customers.

How do they work?

We'll text you when you reach about 80% of the spend cap limit letting you know how much you have spent. If you then reach the spend cap limit we'll send you another text letting you know that we have capped your data usage.

Can I exceed these spend caps?

To exceed the spend cap (€61.50 for Pay as you go customers):

text PASS CAP to 50193.

Vodafone World–Roaming Data

Roaming data in Rest of World countries costs **€5.00 a day for an allowance of data.**

You get a 10 MB, 100 MB, 500 MB or 1 GB of data per day depending on the visited country.

At the start of each day (based on Irish time) as soon as you begin to use data you get a new daily allowance, the first MB is for free and then the €5.00 fee applies. Once the daily allowance is used per MB rates apply for any additional usage on that day.

These are our Standard roaming data rates, you do not need to do anything to avail of them and you are only charged on the days you use data in a rest of world country.

Roaming Weekly Data Bundles

We have two weekly roaming data bundles available for use in the Rest of World region. The **Roam Tour** weekly bundle provides **2.5 GB of data for €25.00** and can be used in **118 countries**. The **Roam Extra** weekly bundle provides **5 GB of data for €20.00** and can be used in **24 countries**. These are Opt-in bundles that you can buy when needed.

Roam Tour Weekly Bundle	
Data Allowance	2.5 GB / 2560 MB
Cost	€25.00
Coverage	118 Countries

For our **2.5 GB** weekly data roaming bundle, Pay as you go customers free text **Roam Tour to 50233**. You'll receive a confirmation text once the bundle has been applied.

Roam Extra Weekly Bundle	
Data Allowance	5 GB / 5120 MB
Cost	€20.00
Coverage	24 Countries

For our **5 GB** weekly data roaming bundle, , Pay as you go customers free text **Roam Extra to 50233**. You'll receive a confirmation text once the bundle has been applied.

The weekly roaming bundles can be used for **up to 8 days** including the day of purchase. The bundle **starts immediately following purchase** and we recommend not to buy the bundle until the day you depart from Ireland or on arrival at your destination.

The same weekly bundle can be used across multiple countries in the bundle footprint. Once you have used a weekly bundle allowance or if

the bundle has expired the Standard Roaming data rates apply (see Global Explorer rates). If you prefer you can buy another weekly bundle.

If you are on a top up offer it will re-activate every time you top up by €20* or more in one go. (*€30 on Extra Unlimited). **To Top-up for Roaming**, we recommend topping up by €15 or less in one go. To ensure you have enough credit to buy a bundle you need to first top up by €15 and then do a second top up for €5 or €10 to increase your balance to €20 or €25.

Customers on Red Roaming, visiting a Red Roaming country and with a weekly bundle will consume data from the Red Roaming allowance first and then from the weekly bundle.

Note the weekly bundles cannot be used in our Europe region.
